Discover the FDU Difference

Fairleigh Dickinson University provides an individualized learning experience that will help you become a leader in the rapidly changing world of healthcare. Our variety of graduate programs, supportive faculty, and valuable opportunities create a unique environment where you can harness your potential and prepare for a successful and meaningful career.

SEE WHY FDU IS THE RIGHT CHOICE FOR YOU

Experience a *Personal Approach to Education*

At FDU, we'll meet you wherever you are. You'll benefit from a schedule that fits your lifestyle with **online, on-campus, weekend, and hybrid learning options** available for many programs. Our attentive faculty will help you find a pathway to accomplishing your goals in healthcare, and we'll provide an education tailored to your needs.

Gain *Global Perspective*

Our curriculum is designed to ensure that our students will be able to succeed in a world marked by interdependence, diversity, and rapid change. As a student here, you'll widen your perspective and expand your network through unique, career-enhancing ways, such as attending **major UN events**, some of which our faculty have presented at as expert researchers. Experiences like these unlock a world of possibilities. When you join FDU, you'll benefit from multidisciplinary, intercultural, and ethical understandings necessary to participate, lead, and prosper in the global marketplace of ideas, commerce, and culture.

Access *Transformational Opportunities*

FDU provides hands-on training for today's most in-demand healthcare professions, equipping you with the skills that will set you apart in your field. Plus, at FDU, you won't have to search for clinical placements. Thanks to our large network of affiliates and proximity to major cities, you will easily secure real-world opportunities. For example, our pharmacy students participate in new partnerships with leaders in industry, retail, government, and hospitals who will provide mentoring, guidance, and resources. At FDU, you'll develop your skills, learn the most up-to-date industry knowledge, and make valuable connections as you prepare to make a difference in healthcare.

We offer many world-class degrees in high-demand areas.
